The A.C.T.S Prayer Model

A- ADORATION: Adore God, love Him and praise Him for who He is. Take time to adore the Lord and give Him the affection of your heart. Do not ask for anything yet. Focus on the character of God and declare who He is. Pray through the Scriptures (a good place to start is the Psalms) to give yourself words for your adoration.

C- Contrition: Admitting your faults and failures to God, asking for His forgiveness through faith that Jesus died for us. Reflecting on how you could have done better and asking for God's grace to improve.

T- THANKSGIVING: Taking time to thank God for all He has done in your life. Reflect over the prayers that God has answered and for all the blessings He has poured out in your life. This is not time to ask God for more, but to recognize Him for what He has already done.

S- *Supplication*: Now it is time to bring your special intentions before God. Pray for your daily needs, health and healing, the Church and its leaders, those people you love and that you will always be in the right place at the right time to do the right thing.
